

ENGINEERING ACADEMY

PRESENTED BY THE IOWA, KANSAS, MISSOURI, AND NEBRASKA BROADCAST ASSOCIATIONS

Registration for this event is free to broadcast association members and includes a day and a half seminar, two lunches and one breakfast.

Deadline to register is Sept. 9.

This seminar is created for those interested in learning about the technical side of Radio and Television Broadcasting. While it is designed for new engineers it is also a great “refresher” course for seasoned technical people and will cover the latest technologies.
